2. collection/shipping materials & shipping fees on all collections
3. A \$15/day late charge shall be applied for containers that are not returned within 8 days from date of shipment from Goorigian Farms.

DEPOSIT:

At end of breeding season, if mare is in foal, Goorigian Farms will return the \$350.00 Equitainer rental deposit (providing it is returned in a timely fashion and in good shape with all parts. Please be advised that insuring for loss or damage at time of return shipping is advisable) & any remaining SERVICE Fee not used. Container rental deposit of \$350.00 (for lost or damaged container)

*\$350 container rental deposit shall be refunded at end of current breeding season or applied on account.

If mare is not in foal, Goorigian Farms will credit owner for funds not used and invoice for the amount needed to maintain a SERVICE Fee of \$600 to rebreed the mare the following year.

If at anytime the full SERVICE Fee on deposit is used for subsequent shipments of semen an additional deposit of \$600 will be required before any additional shipments are sent.

No shipments will be made unless fees are paid in full!

Any damage to the Equitainers will be subtracted from service fee/container rental deposit held on account with Goorigian Farms.

RE-BREEDING: (FRESH SEMEN ONLY)

1. If mare fails to get pregnant in the first year of contract, mare owner may come back for the following season ONLY.
2. Any additional deposits/service fee must be paid for the 2nd year prior to any shipment of semen.
3. Goorigian Farms must have a new negative uterine culture and may require a uterine biopsy.
4. You may switch mares for the 2nd season (all health papers, registration paper copy, photos and vet cultures apply)
5. There are no refunds after 2nd season.

All our stallions are OCD free and EVA negative.

A 10% discount on the Stud Fee (fresh semen only) for premium mares, Zangersheide approved and registered mares, multiple mares, and mares with proven show (jumping: mini/grand prix) records. Show records must be submitted at time of booking. This 10% discount does not apply to 2nd year of contract, rebreedings, substitution mares, or embryo transfers.

A 25% charge of Stud Fee will be added for each embryo transfer mare used.

If 2nd embryo is recovered, an additional stud fee (50% of stud fee) and handling fee must be paid to Goorigian Farms (this fee applies to each and every subsequent embryo recovered).
